

Materials list for Cut and Sew

Fabric

Please bring 2 pieces of 100% cotton quilting fabric in colours that you love! These can be either fat quarters (pieces approximately 18" x 21") or 1/4yd cuts. The 2 fabrics should look nice together and also show good contrast. Please prewash the fabric and dry it in the dryer before class.

Thread

Please bring one spool of a 50 weight 100% cotton sewing thread in either a coordinating colour or in a neutral colour to suit your fabric.

Sewing Machine

Please bring a sewing machine in good working order.

The machine should have a quarter inch foot for patchwork or the ability to change the needle position to achieve a quarter inch seam allowance or a quarter inch seam allowance marked on the needle plate. Check your manual to see which situation best applies to your brand of machine. A quarter inch foot is often available for most machines at your closest sewing machine dealer.

Make sure to bring your power cord, foot pedal and a bobbin. We have lots of extension cords in the studio.

Other Equipment and Supplies

If you have them, please bring:

45 or 60mm rotary cutter fitted with a new blade

18" x 24" rotary cutting mat

6" x 24" acrylic rotary cutting ruler

Sharp fine pins

Seam ripper

small pair of sharp scissors
